Petition to the Members of the NSW Legislative Council on the matter of proposed changes to Abortion Law in NSW.

Currently there are 2 bills before the NSW Parliament seeking to decriminalise abortion and to created so called "safe zones" around the clinics...These Bills increase the potential dangers to pregnant women, allow the abortion of viable babies up until birth without restriction, fail to include safeguards to ensure women give full informed consent, override any professional or conscientious objections that medical practitioners may have to abortion and disregard the reality that many women have abortions as a result of pressure, coercion or lack of support from others. A petition is now available in the church foyer for your completion or you can forward your petition to: The Hon. Greg Donnelly MLC,

Parliament of New South Wales, Macquarie Street, Sydney, NSW 2000.
