COVID-19 update

Easing of restrictions – the current rules

- Everyone entering a church must currently wear a mask and there is a ban on congregational singing. These rules are in place until at least 12:01am on Monday 17 May 2021 when they will be reviewed again.
- There is no limit on how many people can attend Masses, weddings, funerals and other religious services subject to observing the 2m2 rule. This does not include the celebrant or church workers. Families can sit together, but if people do not belong in the same household, they must observe physical distancing of 1.5 metres. Parishes should have public signs with advice on this or have ushers or people assisting at Masses.
- Singers or choir members should still remain 1.5 metres away from each other and from members of the congregation.
- Avoid congestion before or after Mass – have strategies in place for managing people entering or leaving the Church. Attendees should also maintain a safe distance when lining up for communion.
- The same rules apply to Masses and other religious services held outdoors on Parish premises.
